# WELCOME TO OUR PRACTICE
## *(IMPORTANT – PLEASE READ!)*

Dear Patient:

We look forward to providing you with the highest level of eye care. In order to minimize your wait time and treat you as effectively as possible, **you are REQUIRED to complete and submit the following forms at least 1 WEEK PRIOR to your scheduled appointment:**

- PATIENT INFORMATION FORM
- PATIENT RESPONSIBILITY FORM
- PATIENT HEALTH HISTORY FORM
- PHYSICIAN-PATIENT ARBITRATION AGREEMENT **(A SIGNATURE IS REQUIRED)**
- PATIENT PRIVACY FORM
- MEDICAL RECORDS RELEASE FORM
- PRIVACY OF PERSONAL HEALTH INFORMATION FORM
- APPOINTMENT CANCELLATION & NO-SHOW POLICY

Please bring your **insurance card(s)** and **ID card/driver's license** with you on the day of your visit. Please also bring your current eyeglasses and/or contact lens prescriptions, and any eye drops you are currently using.

Your initial visit should take about 1 to 1½ hours. For a complete medical eye exam, dilation of your eyes will be required, which can cause temporary light sensitivity and/or blurred vision. Since the effect can last about 3 to 4 hours, we will provide you with a pair of disposable sunglasses. We also advise that you arrange for someone to drive you home since your near vision will be blurry.

If we are contracted with your specific health insurance plan, your medical eye exam may be covered. As a courtesy, we will bill your insurance for the services provided. All applicable co-payments or deductibles will be collected from you at the time of your visit. If you are deemed ineligible for your insurance benefits at the time of service, you will be responsible for payment prior to being examined. If there are any changes to your insurance plan, please inform us immediately.

We are currently an Out-of-Network provider with ALL vision insurance plans (e.g., VSP, EyeMed). Payments will be collected at the time of service. Refractions (exams to check or update your prescription for eyeglasses) and contact lens fittings are offered for an out-of-pocket charge and payment will be collected at the time of service.

If you need to reschedule your appointment, please give us at least 24 hours notice by calling our office at (714) 769-6386. Any cancellations made less than 24 hours of your appointment or any missed appointments will be charged a $125 fee. We look forward to taking care of you.

Sincerely,

Oat Sinchai, M.D.

## PHYSICIAN-PATIENT ARBITRATION AGREEMENT

**Article 1: Agreement to Arbitrate:** It is understood that any dispute as to medical malpractice, that is as to whether any medical services rendered under this contract were necessary or unauthorized or were improperly, negligently, or incompetently rendered, will be determined by submission to arbitration as provided by California law, and not by a lawsuit or resort to court process except as California law provides for judicial review of arbitration proceedings. Both parties to this contract, by entering into it, are giving up their constitutional rights to have any such dispute decided in a court of law before a jury, and instead are accepting the use of arbitration.

**Article 2: All Claims Must Be Arbitrated:** It is the intention of the parties that this agreement bind all parties whose claims may arise out of or relate to treatment or service provided by the physician including any spouse or heirs of the patient and any children, whether born or unborn, at the time of the occurrence giving rise to any claim. In case of any pregnant mother, the term "patient" herein shall mean both the mother and the mother's expected child or children.
All claims for monetary damages exceeding the jurisdictional limit of the small claims court against the physician, and the physician's partners, associates, association, corporation or partnership, and the employees, agents and estates of any of them, must be arbitrated including, without limitation, claims for loss of consortium, wrongful death, emotional distress or punitive damages. Filing of any action in any court by the physician to collect any fee from the patient shall not waive the right to compel arbitration of any malpractice claim.

**Article 3: Procedures and Applicable Law:** A demand for arbitration must be communicated in writing to all parties. Each party shall select an arbitrator (party arbitrator) within thirty days and a third arbitrator (neutral arbitrator) shall be selected by the arbitrators appointed by the parties within thirty days of a demand for a neutral arbitrator by either party. Each party to the arbitration shall pay such party's pro rata share of the expenses and fees of the neutral arbitrator, together with other expenses of the arbitration incurred or approved by the neutral arbitrator, not including counsel fees or witness fees, or other expenses incurred by a party for such party's own benefit. The parties agree that the arbitrators have the immunity of a judicial officer from civil liability when acting in the capacity of arbitrator under this contract. This immunity shall supplement, not supplant, any other applicable statutory or common law. Either party shall have the absolute right to arbitrate separately the issues of liability and damages upon written request to the neutral arbitrator. The parties consent to the intervention and joiner in this arbitration of any person or entity, which would otherwise be a proper additional party in court action, and upon such intervention and joiner any existing court action against such additional person or entity shall be stayed pending arbitration.
The parties agree that provisions of California law applicable to health care providers shall apply to disputes within this arbitration agreement, including, but not limited to, Code of Civil procedure Sections 340.5 and 667.7 and Civil Code Sections 3333.1 and 3333.2. Any party may bring before the arbitrators a motion for summary judgment or summary adjudication in accordance with the Code of Civil Procedure. Discovery shall be conducted pursuant to Code of Civil Procedure Section 1283.05; however, depositions may be taken without prior approval of the neutral arbitrator.

**Article 4: General Provisions:** All claims based upon the same incident, transaction or related circumstances shall be arbitrated in one proceeding. A claim shall be waived and forever barred if (1) on the date notice thereof is received, the claim, if asserted in a civil action, would be barred by the applicable California statue limitations, or (2) the claimant fails to pursue the arbitration claim in accordance with the procedures prescribed herein with reasonable diligence. With respect to any matter not herein expressly provided for, the arbitrators shall be governed by the California Code of Civil Procedure provisions relating to arbitration.

**Article 5: Revocation:** This agreement may be revoked by written notice delivered to the physician within 30 days of signature. It is the intent of this agreement to apply to all medical services rendered any time for any condition.

**Article 6: Retroactive Effect:** If patient intends this agreement to cover services rendered before the date it is signed (including, but not limited to, emergency treatment) patient should initial below: ______________________________

(Effective as of the date of first medical services)
Patient's or Patient Representative's Initials

If any provision of this arbitration agreement is held invalid or unenforceable, the remaining provisions shall remain in full force and shall not be affected by the invalidity of any other provision.

I understand that I have the right to receive a copy of this arbitration agreement.

***NOTICE: BY SIGNING THIS CONTRACT YOU ARE AGREEING TO HAVE ANY ISSUE OF MEDICAL MALPRACTICE DECIDED BY NEUTRAL ARBITRATION AND YOU ARE GIVING UP YOUR RIGHT TO A JURY OR COURT TRIAL. SEE ARTICLE 1 OF THIS CONTRACT.***
